

WEATHER WATCHERS PRE-VISIT SUPPORTS

We hope you enjoy these supports as you prepare your students for the Weather Watchers field trip experience with CMoR. We encourage you to use these resources to help students anchor their learning!

VOCABULARY

Key words to introduce prior to your visit.

Meteorologist: an expert/ scientist who studies weather

Forecast: to predict or estimate

Predict: To say that something will happen in the future, to make an educated guess

Season: a division of the year marked by weather patterns, a result of the Earth's position to the Sun

Cloud: a visible mass of condensed water vapor floating in the atmosphere
